February 2021

Dear Students & Parents/Salem Ram Family,

As we look forward to welcoming our students back to the school buildings on **Monday, March 1, 2021**; we wanted to take the opportunity to post the following reminders from the last time we were together from September through November:

1. **Qualtrics:**
By 7:15am each morning, **all students** must continue to complete the Qualtrics survey. **Students who have not completed the survey or have a negative result, will not be allowed entry into the buildings.** If you have any difficulty accessing the Qualtrics Survey you may email your child(ren)'s school.
2. **Face Covering:**
All students must continue to wear face mask and practice social distancing.
3. **Desk Dividers:** Students must continue to utilize the desk dividers issued by the district.
4. **Personal Safety:**
In addition to the above, staff and students will be responsible for their personal sanitizing by using the district supplied materials, i.e., hand sanitizing stations outside every classroom, soap and water available in all lavatories and identified classrooms, and disinfectant wipes for desks, chairs, shields, computers, etc.
5. **Reminder:**
Parents/Guardians are not allowed in the buildings unless they have an appointment and wearing a mask. When signing out a student, the parent/guardian will come to the front entrance of the school, to complete the sign out form and the student(s) will be retrieved from the classroom for dismissal.

We look forward to having our kids back in the buildings!! In the meantime, take care and stay safe.

Educationally yours,
Amiot P. Michel
